I never knew who killed him. This is interesting. How did you find this out? Hold the add till I can go through Mom's files again? Don't think they were married very long when Murt was shot.

I remember the family talking and the name Crocker. Think there is a picture here of her and Crocker.

I wonder which brother in law killed him? Family search has two spouses for Joan Maragret Colwell

Perry Mirt Witten
marriage Nov 3 1893

John Wilbert Crocker

You are saying Murt Witten Fralia was her first? If she had 4 husbands then we are missing one. I don't see Murt in family search anywhere. I will add him. Do you have any other info before I add him as her spouse?
thanks!!
